We would like to show you a description here but the site won't allow us. George M. Moffett, Professor of Agriculture and Business, Senior Associate Dean for Faculty Strategy and Recruiting, Unit Head, Marketing. This supply chain case study looks at the importance of applying the principles of corporate social responsibility to a business's activities. The capitalist system is under siege. In recent years, business increasingly has been viewed as a major cause of social, environmental, and economic problems. It has been suggested that Harvard Medical School's notable alumni be merged into this article. Proposed since January 2016.
