Massachusetts Comprehensive Assessment System Test Questions This page provides access to MCAS test questions from the Welcome to the Virginia State Standards of Learning Practice Tests! All of the questions on this site come from test materials released by the Virginia Department of Education. A practice test for each grade is available below for you to use to familiarize yourself with the kinds of items and format used for the tests. A single gene with two alleles codes for the fruit color (red and yellow) of tomato plants. Two tomato plants heterozygous for fruit color are crossed. Access resources for educators to prepare students for testing: the student tutorial for CBT and practice tests for CBT and PBT.
