For the Snare Drummer By George Lawrence Stone Snare Drum Book George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. A snare drum or side drum is a percussion instrument that produces a sharp staccato sound when the head is struck with a drum stick, due to the use of a series of Marching snare drums are deeper in size than snares normally used for orchestral or drum kit purposes. This gives the drum the big, full sound necessary for outdoor use. We've developed this learning guide so that you have a solid plan to start working your way through the material on [OnlineDrummer.com](http://www.onlinedrummer.com).
