Positive mental attitude (PMA) is a concept first developed and introduced in 1937 by Napoleon Hill in the book *Think and Grow Rich*. The book never actually uses the word "attitude" but your attitude is so much like an inner architect building resilience in your mindset. What's at stake? Your outlook involves your perception of success (or failure). Professional success is a culmination of many factors. Your education matters—maybe not as much as you think, but a degree in your field can really jump-start your career. Find out how a negative mental attitude can ruin your life but more importantly how to overcome it. Comes with a helpful mind map reference poster. Here's how to improve your attitude: Positive thinking, positive affirmation and positive self-talk.
