Beer is the oldest and most widely consumed alcoholic drink in the world, and the third most popular drink overall after water and tea. Beer is brewed from cereal. We would like to show you a description here but the site won't allow us. Because Twitter limits access for third-party tools, Thread Reader can only retrieve relatively recent threads. It doesn't work if the user has tweeted over 3200. Your favorite technology company, Google, is working on an upcoming feature that could put the kibosh on autoplaying videos for good. Soon you'll be able to silence. Brewing is the production of beer by steeping a starch source (commonly cereal grains, the most popular of which is barley) in water and fermenting the resulting
